For additional information or to purchase
your licenses ONLINE -
Visit our website at **www.fwp.mt.gov**

Deadline: The date a license must be purchased on or before. If mailed in; the date a correctly completed application, sent to the appropriate FWP office, must be postmarked by the US Postal Service.

Hunter Education Requirement

- Legislation requires that anyone born after January 1, 1985 must provide a copy of his or her Hunter Education Certificate in order to purchase any hunting license in Montana.
- Holders of Montana Hunter Education Certificates can print a copy of their certificate from our website at www.fwp.mt.gov, then click on Education.

Bobcat/Trappers License

- A hound handler must have a valid trapper's license to legally hunt or chase bobcat during the trapping season.
- Outfitters and guides must possess their Montana outfitter or guide license and their conservation license while accompanied by a paying client. Guides are required to provide the license number of the outfitter on whose license they are guiding.

Resident Hound Training License (RHTL)

2003 Legislation created a 'resident hound training license' (RHTL)

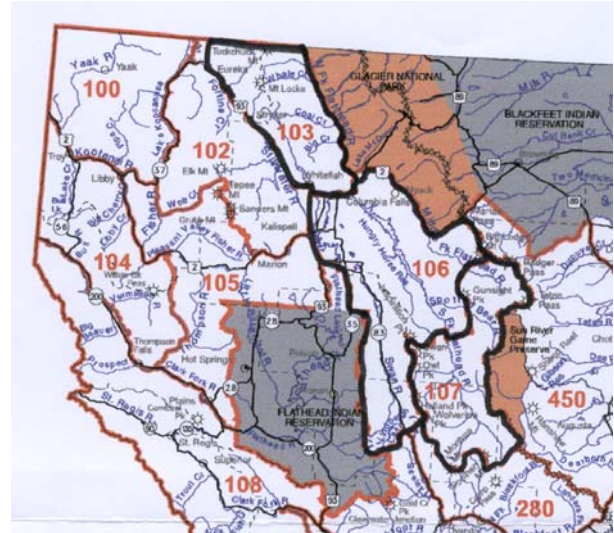

- A person may purchase only one RHTL.
- A valid conservation license is required.
- A person may not kill a mountain lion with a RHTL.
- A person must be a Montana resident and 12 years old, or who will turn 12 years old before or during the training season.
- The cost of the RHTL is \$5.
- The RHTL is available at all FWP offices and all FWP license providers.
- The RHTL is available for purchase through April 14, 2007.

Hunting Access Enhancement Fee

- The Montana Legislature created this fee to help maintain and enhance hunting access to public and private lands statewide through programs like Block Management and other public hunting access projects.
- This is an annual \$2 fee for residents and will be charged at the time the hunter purchases his/her **first** hunting license (including upland and migratory bird) of the season.

Black Bear

- DEADLINE** to purchase license:
Spring Season: April 14.
Fall Season: August 31.
- A validated license is required for Spring Black Bear hunters in Bear Management Units (BMUs) 103, 106 & 107. These districts are located in northwestern Montana immediately east and south of Glacier National Park. Validating your license will restrict your Spring Black Bear hunting to only those BMU units. During the Fall season, you may hunt in any

BMU.

- You may hold only one black bear license per license year, but the license may be used in either Spring or Fall.
- If you previously passed the Bear ID test and purchased a black bear license, you do not need to submit a copy of your bear certificate.**
- Hunters must take and pass a black bear identification test before purchasing a 2006 black bear hunting license. There are two ways to take the test and receive your certification.
 - ONLINE at FWP's website at www.fwp.mt.gov/bearid OR
 - MAIL IN – Request a test by calling 406-444-2535.
- License providers will not process the test or return them to FWP.

Mailing Lists

Montana Fish, Wildlife & Parks receives requests for mailing lists. **Please note, even if you chose no, under state law the department is required to allow individuals who wish to compile their own mailing list access to department records including your name, address, gender, residency status, license type, district applied for and whether you were successful.
